ADMINISTRATOR'S REPORT June 2002 Update

H2P2 Implementation Activities of the Subarea Health Planning Councils (SACs)

- | | |
|-----------|---|
| Hawaii | H2P2 Chapter on Behavioral Health: The Hawaii County SAC is working on their grant project studying access to behavioral health services/facilities. We have contracted with the UH to provide research assistance and invited several county offices to join in the project. SAC members have started planning for the related community forums and a November conference to address this issue. |
| Honolulu | H2P2 New Chapter Development: A sub-group of members who are familiar with the subject Elderly/Disabled-Long Term Care Services provided an overview to Council at their June meeting. Members decided to facilitate the development of a new chapter to H2P2 for long-term care. |
| Tri-Isle | H2P2 Chapter on Dental/Oral Health: The Tri-Isle SAC continues to organize activities to address early childhood caries. The SAC's Maui County Dental Health Alliance completed its nomination process for its <i>2nd Annual Special Recognition in Oral Health Award</i> that will be presented in July. The SAC's Alliance and others are engaging in community processes to develop a Maui County Oral Health Plan. |
| Windward | H2P2 Chapter on Diabetes and other Chronic Disabling Conditions: The SAC's Windward Oahu Asthma Coalition and American Lung Association of Hawaii are continuing to seek funding for the Ha Maui I Ke Ola Program (Breath of Life). They are seeking funding to expand the reach and impact of the program to other communities in the Windward area. |
| West Oahu | H2P2 Chapter on Behavioral Health: West Oahu SAC members are developing a community resource survey and instrument to learn more about behavioral health issues in their region. SAC members are scheduling additional speakers to educate themselves on community development and capacity building, facilitation, and grant writing. |
| Kauai | H2P2 Chapter on Behavioral Health: The Kauai Subarea Health Planning Council selected "Drug Abuse in the Workplace" as their next H2P2 health priority. Members are agreed to ask the Kauai Drug Abuse Coalition to partner on the distribution of their new bookmarks/cards that list drug treatment resources on Kauai. |

Research and Statistics:

Website stats: During May of 2002, the SHPDA website had a whopping 7,038 hits – again, the majority are visiting our “Health Policy Guidebook.”

Website new features: Executive summaries of current certificate applications are now available on our website – www.shpda.org

Utilization Report: As of 6/12/02, the SHPDA Inpatient Utilization Survey has a 74% response rate and the Home Health Survey has a 45% response rate. Second notice reminders were mailed to all non respondent facilities/providers. Telephone follow-ups were also started.

Certificate of Need Applications

- | | |
|---------|---|
| #02-05A | Hilo Medical Center for the replacement of angiography equipment at a capital cost of \$1,500,000. Public Notice June 17, 2002. |
| #02-08 | The Queen’s Medical Center for the reconfiguration of beds to create a 40 bed med/surg. cardiac unit (comprehensive care beds) at a capital cost of \$13,201,700. The Oahuwide Certificate Review Committee and the Certificate Review Panel unanimously recommended approval of this application and therefore SHCC review was waived. |
| #02-09A | The Queen’s Medical Center for the renovation of its neurology and neurosurgery unit at a capital cost of \$5,011,000. Public Notice June 19, 2002. |
| #02-10A | Kahuku Hospital for the change of 4 medical/surgical and 2 SNF beds to 6 Acute/long-term swing beds at no capital cost. Incomplete – waiting for additional information/revisions from applicant. |
| #02-11 | Metrocare Hawaii, Inc. for the establishment of a home health care agency in Hawaii County at a capital cost of \$23,500. Incomplete – significant information is missing from the application. |
| #02-12A | Hilo Medical Center for the change of 22 medical/surgical beds to SNF beds at no capital cost and the addition of 4 SNF/ICF swing beds at a capital cost of \$14,158. Incomplete – waiting for additional information/revisions from applicant. |
| #02-13A | Kauai Care Center, LLC for the acquisition of Kauai Care Center, 9611 Waena Road, Waimea, Kauai at a capital cost of \$2,380,000. Reviewing for completeness. |
